Experience

- Walmart Ecommerce

Jun 2018 - Aug 2018

UX Design Intern

Designed a system for Front End Engineers and Product Managers to view existing Modules used to build the Walmart website. Designed a system to create a new Module for the Walmart website. Implemented with Sketch and Invision.

- Birdie

Jan 2018 - Mar 2018

UI/UX Designer

Birdie is a mobile web application designed to help the user quickly and efficiently find a place to eat. I co-designed the user interface with HTML and CSS. APIs used: Facebook login, Google login, Google maps, and Yelp.

- Leaders Forum

Jun 2016 - Jun 2017

Research Associate

Leaders Forum is a nonprofit network of leaders in government and private industry seeking to advance Asian American Pacific Islanders into leadership positions in government and civil society. I provided review on the layout of the organization website. Also assisted in political data research and analysis involving APIs.

Education

- University of California,
San Diego

Sept 2015 - Dec 2019

Cognitive Science/Computer Science

I am a Cognitive Science major specializing in Human Computer Interaction and a Computer Science minor. Major GPA: 3.72 | UC GPA: 3.2
