EXPERIENCE

WALMART ECOMMERCE
CARLSBAD, CA
UX Design Intern
JUN.2018 – AUG.2018

Walmart Ecommerce is the division of Walmart dedicated to managing the Walmart website and online sales.

- Designed a system for Front End Engineers and Product Managers to view existing Modules that are used to build the Walmart website.
- Designed a system to create a new Module for the Walmart website.
- Implemented with Sketch and Invision.

BIRDIE
SAN DIEGO, CA
UI/UX Designer
JAN.2018 – MAR.2018

Birdie is a mobile web app that uses AI technology to help the user quickly and efficiently find a place to eat. It was made in COGS 120 Intro to HCI at UCSD. View the current prototype at https://lilbirdie.herokuapp.com (optimized for mobile).

- Co-designed the UI of the app
- Implemented with HTML, CSS, and Javascript
- APIs used: Facebook login, Google login, Google maps, and Yelp

LEADERS FORUM
SAN FRANCISCO, CA
Research Associate
JUN.2016 – JUN.2017

Leaders Forum is a nonprofit network of leaders in government and private industry seeking to advance highly qualified Asian American Pacific Islanders into leadership positions in government and civil society. (https://leadersforum.org)

- Provided review over the layout of the organization website
- Assisted in political data research and analysis involving Asian Americans
