Work Experience

Walmartlabs Ecommerce / UX Design Intern
Carlsbad, CA / Jun 2018 - Aug 2018

Designed a system for Front End Engineers and Product Managers to view existing modules used to build the Walmart website. Designed a system to create and request a new module for the Walmart website. Implemented with Sketch and Invision.

Leaders Forum / Research Associate
San Francisco, CA / Jun 2016 - Jun 2017

Leaders Forum is a nonprofit network of leaders in government and private industry seeking to advance Asian American Pacific Islanders into leadership positions in government and civil society. I provided review on the layout of the organization website. Also assisted in political data research and analysis involving AAPIs.

Projects

Audrey's / UX Designer
UCSD / Jan 2019 - Mar 2019

Co-designed and prototyped a new website (desktop and mobile) for Audrey's coffeeshop in UCSD's Geisel Library. Performed user research, user interviews, and UI design. Designed and prototyped using Figma.

Birdie / UI/UX Designer
UCSD / Jan 2018 - Mar 2018

Birdie is a mobile web application designed to help the user quickly and efficiently find a place to eat. I co-designed the UI with HTML and CSS. APIs used: Facebook login, Google login, GoogleMaps, and Yelp.

Education

University of California, San Diego / B.S.
Sept 2015 - Dec 2019

Cognitive Science major specializing in Human Computer Interaction with a Computer Science minor.
Major GPA: 3.68 | UC GPA: 3.25
